

## SPECIFICATION

### PHOSPHORIC ACID 85%, FOOD GRADE

**Code:** C3 126  
**CAS:** [7664-38-2]  
**EINECS:** 616-646-7

|                   | Specification           | Unit |
|-------------------|-------------------------|------|
| Appearance        | clear colourless liquid | /    |
| Assay             | min. 85                 | %    |
| P2O5              | 61,59                   | %    |
| Freezing point    | 21                      | °C   |
| Density (at 25°C) | 1,685                   | g/ml |
